

The Second Deputy – Speaker of the House of Representatives told that the system in the Chantra Chamber is ready for the meeting and some technical limits will be fixed soon

1<sup>st</sup> August 2019

Hon. Mr. Supachai Posu, Second Deputy – Speaker of the House of Representatives revealed after the test of the systems in Chantra Chamber (Senate Meeting Chamber), at New Parliament Building, Kiek Kai. It was ready 99 percent and could operate for the sittings of the House of Representatives next week.

In this regards, the staffs rechecked the systems, such as microphones, the press buttons for authentication of the Members of the House of Representatives, voting buttons , and also tested the voice call for voting and air conditioning system.

There are some technical limits, such as microphone system and queueing system for Members to speak; however, they can be fixed soon.

People can be assured that the Chamber is ready to serve the sittings of the House of Representatives.
